

scholarship for nursing students

What person or experience has influenced your decision to pursue a career as a pediatric nurse?

Pediatric nursing, though challenging, is an extremely rewarding career. As clinicians, teachers, leaders and innovators we are charged with the task of educating, and engaging the

next generation of pediatric nurses. The **NCN ESSAY** contest was designed to inspire current nursing students considering a career in pediatric nursing.

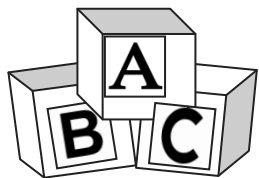

Sponsored by **The Nursing of Children Network** (NCN). The NCN was established in 1990 as a networking organization for pediatric nurses in the Delaware Valley region. In 1994 NCN joined the national organization Society of Pediatric Nurses (SPN).
